

HOW TO JOIN KCA COLLEGE:

1. REGISTER!

Find out if your campus has already started a KCA Chapter! If so, become an active member! Email info@keepachildalive.org to contact your school's Chapter leader or learn more on how to start a Chapter.

If your school does not have a KCA Chapter, go to your Student Organization/Club office and speak to someone about starting a KCA Chapter! If you are already a registered student organization (ie. fraternity or sorority) and would simply like to fundraise for KCA's benefit, you may not need to register a KCA Chapter with your school. However, if you plan on regularly fundraising for KCA or starting your own Chapter, please register with our Headquarters by completing a KCA Chapter Registration form; we like to stay in contact with our college fundraisers!

2. JOIN OUR ONLINE COMMUNITY

Become a part of our online, networking community (community.keepachildalive.org). Simple sign up online and customize your Chapter's profile. Keep in touch with other KCA College Chapters, stay up to date with our Community blog, and share your ideas, photos, and events!

3. REVIEW OUR KCA COMMUNITY GUIDEBOOK

This offers information about Keep a Child Alive, facts about the global HIV/AIDS pandemic, and important forms and sample letters you may need for planning fundraisers.

4. REVIEW OUR FUNDRAISING TIPS & IDEAS!

Browse our list of fundraising events, and brainstorm your own fundraising ideas suitable for your community! Feel free to email/call us to talk about your ideas.

Phone: 718-965-1111

Email: info@keepachildalive.org

***You do NOT have to be a College/University to create a Chapter. Any community group (youth group, Church, group of friends, etc) are able to start a Chapter and fundraise for KCA.*
